

WAAVP

20 – 24 AUGUST, 2023

CHENNAI

THE LEELA PALACE, CHENNAI

**29th International Conference of the World Association for
the Advancement of Veterinary Parasitology
Scientific Programme**

“Parasites: Global Impacts, Local Solutions”

Program at a Glance

Sunday, August 20

07:00		07:00
07:30		07:30
08:00		08:00
08:30		08:30
09:00		09:00
09:30		09:30
10:00		10:00
10:30		10:30
11:00		11:00
11:30		11:30
12:00		12:00
12:30		12:30
13:00		13:00
13:30		13:30
14:00		14:00
14:30	Opening Ceremony 14:15 - 15:30 Grand Ball Room, The Leela Palace	14:30
15:00		15:00
15:30	Inaugural Keynote Address Parasitology in India – A Century Episode (Dr. J. Raghavendra Rao, Former Principal Scientist, ICAR – IVRI, Bareilly) 15:30 - 16:30 Grand Ball Room	15:30
16:00		16:00
16:30	Coffee Break 16:30 - 17:00	16:30
17:00		17:00
17:30	Keynote Speaker – I (Sponsored by IDEXX) Tackling emerging vector-borne zoonoses using next generation molecular diagnostics (Prof. Rebecca Traub, University of Melbourne, Australia) 17:00 - 18:00 Grand Ball Room	17:30
18:00		18:00
18:30	Keynote Speaker – II Marriage between nucleic acid-based detection methods with protein-based readouts - the way forward for point-of-care diagnostics (Prof. G. Dhinakar Raj, TANUVAS, Chennai) 18:00 - 19:00, Grand Ball Room	18:30
19:00		19:00
19:30	Welcome Reception / Dinner 19:00 - 20:30 Grand Ball Room	19:30
20:00		20:00
20:30		20:30
21:00		21:00
21:30		21:30
22:00		22:00
22:30		22:30
23:00		23:00

Program at a Glance

Monday, August 21	
07:00	07:00
07:30	07:30
08:00	08:00
08:30	08:30
09:00	09:00
09:30	09:30
10:00	10:00
10:30	10:30
11:00	11:00
11:30	11:30
12:00	12:00
12:30	12:30
13:00	13:00
13:30	13:30
14:00	14:00
14:30	14:30
15:00	15:00
15:30	15:30
16:00	16:00
16:30	16:30
17:00	17:00
17:30	17:30
18:00	18:00
18:30	18:30
19:00	19:00
19:30	19:30
20:00	20:00
20:30	20:30
21:00	21:00
21:30	21:30
22:00	22:00
22:30	22:30
23:00	23:00

Monday, August 21

Keynote Speaker - III
Animal leishmaniosis – a multiple host environment
 (Prof. Gad Baneth, Hebrew University, Israel)
 09:00 - 10:00
 Grand Ball Room

Keynote Speaker – IV
Application of transcriptomics to study parasite biology and host parasite interactions
 (Prof. Suresh V Kuchipudi, University of Pittsburgh, USA)
 10:00 - 11:00
 Grand Ball Room

Coffee Break 11:00 - 11:30

Oral Breakout Presentations
 11:30 - 13:00

1. Equine Parasites
2. Ticks of Ruminants
3. Parasite Epidemiology

Lunch Break

13:00 - 14:00

Keynote Speaker – V
Equity, Inclusivity and Diversity
 (Dr. Nichola Calvani, University of Galway, Ireland)
 14:00 - 15:00
 Grand Ball Room

Oral Breakout Presentations
 15:00 - 16:30

1. Protozoan Parasites
2. Tick Diseases Transmission
3. Host responses against helminths
4. Diagnosis for GI nematodes of ruminants

Coffee Break & Poster Session 1 with Authors
 16:30 - 18:00

Oral Breakout Presentations
 17:00 - 18:00

1. Molecular Tools / 2. Tropical Parasites / 3. Swine Parasites

Invited Speaker (Sponsored by Elanco)
Changing the Paradigm: GI Helminth Efficacy Evaluation Through Non-Terminal Trials
 (Dwight D. Bowman, Cornell University, Ithaca)
 18:00 - 19:00
 Grand Ball Room

MERCK Animal Health - Dinner Symposium
 19:00 - 20:00
 Grand Ball Room

Program at a Glance

Tuesday, August 22

07:00		07:00
07:30		07:30
08:00		08:00
08:30		08:30
09:00		09:00
09:30	Keynote Speaker – VI Tissue cyst forming coccidia-the prevailing scenario (Prof. K. Devada, KVASU, Mannuthy, Thrissur)	09:30
10:00	09:00 - 10:00 Grand Ball Room	10:00
10:30	Keynote Speaker - VII Trends and challenges in detecting endoparasites of veterinary significance (Dr. Manigandan Lejeune, Cornell University, USA)	10:30
11:00	10:00 - 11:00, Grand Ball Room	11:00
11:30	Coffee Break 11:00 - 11:30	11:30
12:00	Oral Breakout Presentations 11:30 - 13:00	12:00
12:30	1. Vector Borne Infections in companion animals 2. Flea and Tick control 3. Molecular Tools to detect resistance against nematodes 4. Alternative treatment for parasites of ruminants	12:30
13:00		13:00
13:30	Lunch Break 13:00 - 14:30	13:30
14:00		14:00
14:30	Keynote Speaker – VIII Dromedaries' (Camelus dromedarius) ticks. A one-health perspective (Prof. Mohamed Gharbi, National School of Veterinary Medicine of Sidi Thabet, USA)	14:30
15:00	14:30 - 15:30 Grand Ball Room	15:00
15:30	Coffee Break 15:30 - 16:00	15:30
16:00		16:00
16:30	Poster Session 2 with Authors 16:00 - 18:00	16:30
17:00	Oral Breakout Presentations 16:00 - 17:30	17:00
17:30	1. Ruminant Parasites / 2. Trematodes / 3. Parasite Vaccines / 4. Novel Diagnostics I	17:30
18:00		18:00
18:30	WAAVP AFRICAN NETWORK SYMPOSIUM 18:00 - 19:00 Grand Ball Room	18:30
19:00		19:00
19:30	WAAVP AFRICAN NETWORK - Dinner 19:00 - 20:30	19:30
20:00		20:00
20:30		20:30
21:00		21:00
21:30		21:30
22:00		22:00
22:30		22:30
23:00		23:00

Program at a Glance

Wednesday, August 23

07:00		07:00
07:30	Social Event – FUN RUN at Elliots Beach 07:00 - 08:00	07:30
08:00		08:00
08:30		08:30
09:00		09:00
09:30	Keynote Speaker – IX Spread of Multi Acaricide resistant ticks- a global problem (Dr. Srikant Ghosh, Indian Veterinary Research Institute, Izatnagar) 09:30 - 10:30 Grand Ball Room	09:30
10:00		10:00
10:30	Keynote Speaker – X Barcoding of parasites: microscopic vs. genetic identification (Prof. Alicia Rojas, University of Costa Rica, San Jose) 10:30 - 11:30, Grand Ball Room	10:30
11:00		11:00
11:30		11:30
12:00	Coffee Break 11:30 – 12:00	12:00
12:30	Oral Breakout Presentations 12:00 - 13:30 1. Flies and fly control 2. Zoonoses and One Health - I 3. Wildlife & Aquatic Parasites 4. Zoonoses & One Health - II	12:30
13:00		13:00
13:30		13:30
14:00	Lunch Break 13:30 - 14:30	14:00
14:30		14:30
15:00	WAAVP General Business Meeting & Award Ceremonies 14:30 - 16:00 Grand Ball Room	15:00
15:30		15:30
16:00		16:00
16:30	Coffee Break 16:00 - 16:30	16:30
17:00	Keynote Speaker – XI Back to the future: brown dog ticks as we know it (Prof. Jan Slapeta, University of Sydney ID, Australia) 16:30 - 17:30, Grand Ball Room	17:00
17:30		17:30
18:00	Poster Session 3 with Authors 17:30 - 19:00 Satellite Seminar by VIRBAC Introduction to the bovine tropical theileriosis (Prof. Mohamed Gharbi, National School of Veterinary Medicine of Sidi Thabet, Tunisia) Diagnosis of bovine tropical theileriosis (Dr. Sunil W. Kolte, Maharashtra Animal and Fishery Sciences University, India) 17:30 – 19:00 Grand Ball Room	18:00
18:30		18:30
19:00		19:00
19:30		19:30
20:00	Dinner 19:00 - 20:30	20:00
20:30		20:30
21:00		21:00
21:30		21:30
22:00		22:00
22:30		22:30
23:00		23:00

Program at a Glance

Thursday, August 24

07:00		07:00
07:30		07:30
08:00		08:00
08:30		08:30
09:00	Keynote Speaker – XII Direct and indirect effects of climate change on parasite transmission (Prof. Eric Morgan, Queen's University Belfast, UK) 09:00 - 10:00 Grand Ball Room	09:00
09:30		09:30
10:00	Keynote Speaker – XIII Parasite diversity in marine mammals: between pathogens and indicators of aquatic environment health (Prof. Federica Marcer University of Padua, Italy) 10:00 - 11:00, Grand Ball Room	10:00
10:30		10:30
11:00	Coffee Break 11:00 - 11:30	11:00
11:30	Oral Breakout Presentations 11:30 - 13:00 1. Protozoan Parasites 2. Education in Veterinary Parasitology 3. Miscellaneous Parasites 4. Avian Parasites	11:30
12:00		12:00
12:30		12:30
13:00		13:00
13:30	Lunch Break 13:00 - 14:00	13:30
14:00		14:00
14:30	Oral Breakout Presentations 14:00 - 15:30 1. Canine & Feline Parasites 2. Novel Diagnostics II 3. Parasite Control 4. Tools for evaluating intestinal parasites of dogs and cats	14:30
15:00		15:00
15:30		15:30
16:00	Closing Ceremony 15:30 - 16:30 Grand Ball Room	16:00
16:30		16:30
17:00	Coffee Break 16:30 - 17:00	17:00
17:30		17:30
18:00		18:00
18:30		18:30
19:00		19:00
19:30		19:30
20:00	Gala Dinner 18:30 - 21:00	20:00
20:30		20:30
21:00		21:00
21:30		21:30
22:00		22:00
22:30		22:30
23:00		23:00
